

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Acceptance of Improvements Under Watermain Installations, Turner Road and Laurel Avenue, and Lodi Lake Park Contract

MEETING DATE: April 16, 1997

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council accept the improvements under the "Watermain Installations, Turner Road and Laurel Avenue, and Lodi Lake Park" contract and direct the City Engineer to file a Notice of Completion with the County Recorder's Office.

BACKGROUND INFORMATION: This project was awarded to Armstrong's Engineering and Building, of Jamestown, in the amount of \$139,149. The contract has been completed in substantial conformance with the plans and specifications approved by the City Council.

The contract completion date was March 6, 1997, and the actual completion date was March 7, 1997. The final contract price was \$142,681. The difference between the contract amount and the final contract price is mainly due to the installation of one additional water service and the use of 36 linear feet of ductile iron pipe in place of the specified C900 PVC water pipe.

FUNDING: As determined at contract award.

Jack L. Ronsko
Public Works Director
